Acknowledgement of Country

Sydney Technology Leaders would like to begin by acknowledging the Traditional Owners of the land on which we meet today, the Gadigal people of the Eora Nation, and recognise their continuing connection to land, waters and culture. I would also like to pay my respects to Elders past, present, and emerging.

SYDNEY TECHNOLOGY LEADERS

Code of Conduct

The Sydney Tech Leaders meetup (STL) is dedicated to providing a harassment-free community for everyone, regardless of sex, gender identity or expression, sexual orientation, disability, physical appearance, age, body size, race, nationality, or religious beliefs. We do not tolerate harassment of community members in any form. Participants violating these rules may be sanctioned or expelled from the community at the discretion of the STL organisers.

The full code of conduct and our enforcement procedures can be found at:
